This product has been tested by Carbon Labs, using valid testing methodologies and a quality system as required by state law. Values reported relate only to the product tested and batched under the batch number identified above. Carbon Labs makes no claims as to the efficacy, safety, or other risks associated with any detected or non-detected level of any compounds reported herein. This Certificate must not be altered, and shall not be reproduced except in full, without the written approval of Carbon Labs. Values below the LOQ threshold are reported as ND. LOD=Limit of Detection; LOQ=Limit of Quantitation; ND=Not Detected; NR=Not Reported
